

## A word about our tubes...

*When you need it, call us... we will deliver it to you quickly.*

All of our products have ultraviolet protection, 100% butyl rubber and ISO certified. We never use clay filler. This ensures our products:

- Withstand higher temperatures
- Exceed industry standards
- Have more elasticity
- Heavy duty construction

## How it works...

**Daily Hours:** Our office hours are 8:00am to 4:30pm (MST) Monday—Friday.

**Toll Free: 800-922-8823    Local: 303-789-2000    Fax: 303-789-2292**

**Questions:** You can call our toll free number to inquire about inner tube and tire specifications or go to our Contact Us page on our website and submit your question.

**Shipping Policy:** When you place a stocking order by 1:00pm MST we can ship the same day. Please be sure to specify special delivery requirements.

**Freight Paid:** Please call a representative to find out how to have us pay for your freight.

**Programs:** Are tailored to fit your purchasing needs, which is why we will not post prices on our website. When you place an online order we will contact you to confirm prices and availability and will confirm via email.
